

May 5, 2010

Hello Parents,

We are on the eve of the 2010 Track and Field Post Season and request your assistance in making it a spectacular one. The Los Angeles Jets Track meet is fast upon us and we would like to have our conference post season team, the Valley United Striders, make a great showing. We are encouraging all top athletes in the Valley Youth Conference to attend this meet. We need your assistance by registering early.....

The Los Angeles Jets Track meet will take place May 28 - May 30. All participants will need to possess a USATF membership card. You are encouraged to register for your athlete's membership card by going to [www.usatf.org/membership](http://www.usatf.org/membership) and completing the few steps to obtain the number (**Valley United Club number is 33- 015**). Please print out 2 copies (one for your records and one for ours). The cost of the card is \$20. All Valley Youth Conference teams, EXCEPT those that are USATF recognized teams, WILL be allowed to wear their own uniforms. All others (HDH, FALCONS, etc) will be required to wear alternate clothing (or their uniforms inside/out). Valley United will only distribute uniforms to those athletes running on relays for this meet. We ask that all interested participants register by May 22 by emailing your athletes NAME, AGE, DOB, MEMBERSHIP #, CONTACT INFO and EVENTS with best mark this season. Registration received after that date will require the late registration fee.

Fees: \$3.00 per event

Late Fees: \$6.00 per event after May 22.

If you have any questions please email your inquiries (including a contact number) to our email address and we will respond expediently as possible.

We have a short time to do great things. Your support will help us achieve these goals!

Thank you,

Gerald Hood  
President, Valley United TC
