

Parent Agreement Form

Valley United Track Club requires mandatory parent participation in our two fundraisers. In order to help minimize the out of pocket cost to parents for the Junior Olympics in Baltimore, Maryland, we need 100% participation from all parents.

We are having our second annual Benefit Dinner including a live comedian and dancing. Last year's event was very successful and it enabled us to take over 50 children to the National Championships. The Benefit Dinner will be held at The Knollwood Country Club on June 29, 2012. We will require all parents to sell one booklet of four tickets per athlete; tickets will be \$50.00 each. Concurrent with the Benefit Dinner we will have a raffle. The grand prize will be two tickets to the Benefit Dinner and a limousine ride to and from The Knollwood Country Club. The requirement will be 10 tickets per athlete; tickets will be \$5.00 each.

All banquet and raffle money/stubs will be due by June 10, 2012. Winner will be picked at practice on June 21, 2012.
